

PRESS RELEASE JULY 1ST, 2013

New EP and Video From Irish Electronica Producer GEM_DOS

GEM_DOS: Dublin's coolest electronica producer releases fashionable new deep house EP and beautiful music video.

About the EP

"Construct" is the second EP from Dublin based producer GEM_DOS. Whilst remaining true to the electronica foundations laid by his first EP, "Construct" fixes its focus firmly on the dance floor. Over the course of the four tracks, a variety of genres are referenced but the overall focus is on dance-floor friendly electronica.

About the video

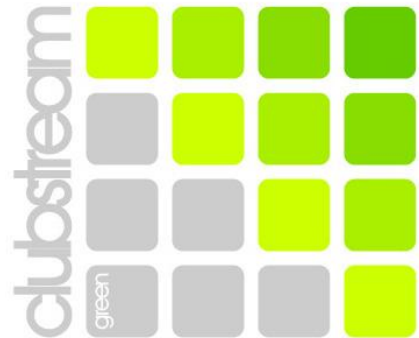

The video is produced by Cormac Murphy and Evan Buggle. The actor is Breffni Geough and it was shot in Killester, Lough Derg and the cubes in Sandyford (all in Ireland).

"The basic premise is of someone being caught between their subconscious and a dream. It was shot in four different locations reflecting the four different movements heard in the song and it was given a disjointed feeling to reflect the lack of a narrative and sudden change in location you can feel when being in neither one place or the other." –says GEM_DOS
