

# KRISTIAN HEIKKILA

## Kristian Heikkila

With a history of producing some of Sweden's finest underground Hip Hop artists, Kristian Heikkila went back to basics a few years ago. Techno and House has always been the real passion of his life and after a few releases on different labels he teamed up with Christian Lundqvist in 2006 to form Kristian & Christian. After a digital release on Kupei Musika, they ended up on Thomas P Heckmann's label A.F.U. Lab. Some live gigs later Kristian & Christian decided to take a pause. Now Kristian Heikkila deliver productions influenced by House, Hip-Hop, Drum & Bass and Techno on labels such as EPM Music and Clubstream Green.
