R7 Announces New EP Release August 21 on Beatport

R7 is closing out summer with the new progressive mainstage EP, Close Your Eyes. Defiantly shattering expectations, Close Your Eyes is a massive follow-up to their hit debut Superhero EP (Rubicon 7), which rocketed into the Beatport Top 10 simultaneously in Techno, Progressive House and Breaks.

The radio-friendly original mixes have a solidly progressive house feel, yet the EP as a whole shows R7's unmistakable disregard for genre boundaries, combining elements from electro house, techno, trance and pop.

Close Your Eyes is rounded out with energetic club mixes and a bass heavy late night mix of Love Will Carry Us -- with stunning original vocals and driving beats, this EP hits on every level.
