

PRESS RELEASE May 21st, 2013

New Single By Rubicon 7 – Idaho's Rising EDM Stars – Premiered At Tiësto DJ Show

US-based Rubicon 7 release new single and amazing video footage from the track's premiere during their opening performance for Tiësto's College Invasion Tour stop in Boise, Idaho, US.

Rubicon 7, also known as Brandon Scott and Elizabeth Thompson, is one of the biggest breakout artists in EDM in Idaho, US at the moment. With a weekly radio show dubbed "Under The Influence" on Digitally Imported under their belt, they've steered their career upwards by producing their own material and have secured remix slots on some of 2013's hot releases worldwide.

Their track 'You Fall Down,' which came out on Clubstream Blue in August 2012, was picked up by Markus Schulz' Global DJ Broadcast. Further building on this momentum, their collaboration with Deeevaux titled 'Make Me Feel' was featured in the soundtrack for Cherien Dabis' "MAY in the SUMMER," which premiered in the US as the opening film for the Sundance Film Festival 2013.

As openers for Tiësto's College Invasion Tour stop in Boise, Idaho, Rubicon 7 played a full set of original material alongside Quintino, Alvaro, Tommy Trash and Tiësto. The set included a debut for their newest track 'Triton' and the crowd went wild – [watch the clip on YouTube](#). The track is now available from the Swedish Clubstream Blue label in all major download stores, including iTunes, Spotify, Trackitdown and Beatport.

- We are excited about Triton and are already in talks with Rubicon 7 about the next project.
– Håkan Ludvigson, A&R @ Substream

Triton T-shirts are available from [Rubicon 7's website](#) (US/CA) and from [Substream's merchandise store](#) (Europe) as well.

About the Record Label

The release is coming out on Clubstream Blue, a part of Clubstream, run by the Substream Music Group of Sweden. Clubstream Blue is specialized in progressive house.

Substream is an innovative music company and one of Sweden's top label groups for electronic music. The label's main office is located in downtown Gothenburg on the Swedish Westcoast. Substream made industry headlines in 2005 and 2006 pioneering alternative payment and licensing models for digital music.

Today Substream has a catalog of 300+ releases and 3000 tracks released under the 9 subsidiary labels: Substream (electro-pop), Mareld (leftfield electronica), Dansant (dance and upbeat pop) and the Clubstream label group (6 labels from house to techno and dubstep). Substream also operates one of Sweden's most renowned mastering studios.
