

PRESS RELEASE May 31st, 2013

EDM Remix Contest Presented by Clubstream and Sugar Bytes

Sweden-based record label Clubstream and audio software plugin developer Sugar Bytes from Germany have come together for an EDM remix contest featuring the hit single “You Fall Down” from on-the-rise production team and U.S. radio duo Rubicon 7.

The contest opens on June 1st and the deadline for all remix entries is June 30th at 11:59PM PST. Visit www.rubicon7.net/contest for complete details, contest rules and how to enter.

Grand prize (1 winner) includes release on the upcoming compilation “Under The Influence with Rubicon 7: Volume One” on Beatport through Clubstream, full licensed copy of Sugar Byte’s Turnado plugin, an artist feature on Digitally Imported Electro House radio, and two free audio mastering sessions with Ebony Red Audio Mastering and a release with Clubstream.

1st runner up prize (1 winner) is one free audio mastering session with Ebony Red Audio Mastering and submission to House.net for a chance at an exclusive download feature.

Honorable mention prize (2 winners) is one free audio mastering session with Ebony Red Audio Mastering.

While contestants are encouraged to shamelessly promote their remix using all available social media, there is no voting. To determine the winners, all remixes will be judged by members of Rubicon 7 and the A&R staff from Clubstream. The winners will be announced July 12th on Digitally Imported radio during the Under The Influence with Rubicon 7 show at Noon ET (5pm UK).

Winners will be selected based solely on production quality and the overall fit for the Under The Influence with Rubicon 7 radio format [electro house].

About the Sponsors

Sugar Bytes is one of the premiere audio software plugin developers in Germany, making better sounding, better looking audio software that's easier to use and cheaper to get than everything that's out there. Just great products that can do more stuff with less buttons, that have more features with less instructions, that are simply more fun and less expensive. Sugar Bytes Tools should save you time and money while providing more creative freedom and inspiring everybody to make more music. Because music is the sugar in the coffee of life!

Ebony Red Audio Mastering is one of the UK's boldest newcomers to the competitive arena of pro audio engineering. While supporting a large cross-section of genres ranging from classic rock to the most modern electronic dance music, Ebony Red takes special care to help your music shine. With a focus on EDM, their mastering engineers know how to help your release compete in the over-compressed world of dance music without sacrificing dynamics or giving in to the loudness wars.

About the Record Label

The release is coming out on Clubstream Mix, a part of Clubstream, run by the Substream Music Group of Sweden. Clubstream Mix is specialized in full length DJ mixed albums and club compilations for non-DJ listeners.

Substream is an innovative music company and one of Sweden's top label groups for electronic music. The label's main office is located in downtown Gothenburg on the Swedish Westcoast. Today Substream holds a catalog of 3000 tracks released under the 9 subsidiary labels: Substream (electro-pop), Mareld (leftfield electronica), Dansant (dance and upbeat pop) and the Clubstream label group (6 labels from house to techno and dubstep). Substream also operates one of Sweden's most renowned mastering studios in-house.
