Cartoon Electro Group 'SAM' Releases Animated Music Video

The Canadian cartoon two-piece SAM releases its first fully animated music video for the new single 'Passion' on the Swedish Dansant label.

Today SAM releases the new single "Passion", an upbeat number - flirting with the house scene and packaged with a fully animated music video masterpiece featuring Sadoway and Mandrake in an action-packed, futuristic story. Watch the video here on YouTube.

SAM is the Canadian and animated collaboration of Sadoway; the silent but deadly talented electronic music guru, and Mandrake; the fasttalking, misty vocal, pop mouthpiece.

In the spring of 2012, SAM was picked up the Dansant label of the Gothenburg based Substream Music Group – the largest electronic

record company in West Sweden - and started preparing for their big launch.

'SAM' – The Album

The band's first single "*Bitch Stole My Song*" was released in September and has been playing frequently on air in Europe, America and Asia. The track was picked up by the prestigious <u>EQ</u> <u>Music Blog</u> and created buzz during the Amsterdam Dance Event late last year. The self-titled album 'SAM' dropped in January and 'Passion' is now the second single from the album.
